Good afternoon,

I thought I would give you a long overdue heads-up. We now have all our MOA's revised and signed by the Directors, we have all the program materials revised and updated and in the process of being copied, The State Attorney General signed the SOLA last week and the USEPA and State MOA is in the Governor's office to be signed.

If nothing else gets in the way, it should be coming to you next week.

If you have any questions or concerns, feel free to give me a call.
